

We were looking forward to God doing “Great Things” in 2021 and He did!

We started 2021 by remodeling two of the bathrooms in the older dorm buildings. Bathrooms for Boys 1 & 2 and Girls 1 & 2, were completely gutted, concrete removed and the floor was taken to the dirt to allow for the removal of the old plumbing. This was a big job and would not have been possible without the generosity of churches and individuals, both financially and physically volunteering their time. We were able to get these completed before the summer camping season began and they were enjoyed by those who were able to stay in them and envied by others! This is an ongoing project and other bathrooms will be completed as money and time permit.

Our Spring Schedule was limited this year, as we learned to navigate the restrictions and people became comfortable with coming to camp. We were able to have our Golden Ager’s Day and had an attendance of 115, this was a high for this event compared to the past. We were able to have a couple of Teen Retreats in April that also had record attendance and resulted in one salvation!

As we prepared for our Summer Schedule, we were unsure what to expect. We knew the numbers would be down from years past and we had two groups that canceled for this year. In 2019 we had 10 weeks of Summer Camp with 3,170 in attendance. This summer we had 8 weeks of Summer Camp with 1,845 campers in attendance. That is around 58% of the 2019 attendance. We would have liked for the attendance to be higher this year, but we Praise God for the ability to have camp this summer and we Rejoice with the Angels in Heaven over the 96 souls who were saved and the 3 young men who surrendered to the ministry.

We have several Fall Events scheduled for 2021 and our full 2022 Schedule can be found on our website www.buddcreek.org or on our Budd Creek Baptist Camp Facebook page. We have several other events besides Summer Camp, please be sure to check those out and come visit us at Budd Creek! We want to thank the churches and individuals who send monthly offerings, your faithfulness is greatly appreciated. If your church doesn’t send a monthly offering to Budd Creek, we ask you to prayerfully consider adding us for monthly support. If you already support and are financially able to increase your monthly offering, we ask you to consider that as well.

Thank you for your continued support, prayers, and love.
