A Note to Pastors and Youth Leaders

Proper preparation makes a huge impact on camp. Begin praying for each camper and promote the upcoming week. Make sure you have sufficient health forms and pre-register as soon as possible. Please be aware of all the camp rules, informing the campers and their parents. Provide parents with the camp contact information should an emergency arise.

- Each church will be responsible for enforcing the dress code.
- Cell phones may be used under sponsor supervision, never during services, and after lights are out in the dorm unless for an emergency.
- Sponsors are to: be with their campers or always know their whereabouts, sit with their campers during services, and are responsible for their campers' conduct.
