

Wow! 2024 has been a great year so far and God has truly blessed our summer camps! We had 2,909 campers this summer (last year was 2,634). This was also our first summer to have 9 weeks of camp instead of 10 (we combined two of our smaller camps), which still resulted in an increase in attendance! 133 were saved and 8 surrendered to the ministry! Yes, 8! God is so very good! We still have several events this fall and pray these numbers increase by the end of the year. A Special 'Thank You' to all who brought young people and attended summer camp. Please pray for Budd Creek, and other camps, with regards to our summer camp schedule. The various school calendars are making it very difficult to fit the camps into a short amount of time. We are in the process of changing our summer schedule by stopping the rotation of our camps. Prayerfully, this will make it easier for churches to schedule their summer activities and bring more young people to camp.

Late August we demoed our sixth bathroom. This will be the third bathroom on the girls' side of the camp. We have already completed all of the boys' bathrooms. This process is extensive and takes most of the fall and spring to complete. We are thankful to all those who help with this project, both physically and financially!

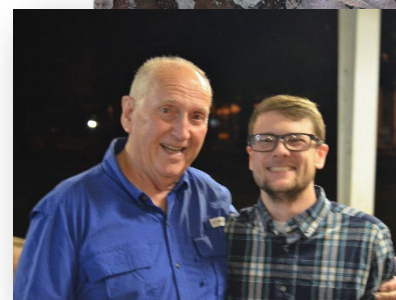

We continue to update air conditioning units as well. This spring we were able to replace one dorm unit. We have also had to replace three motors on the one of the Worship Center units. We appreciate all those who have helped with this project.

We repaired one leak to our swimming pool in the spring and that helped tremendously! But we realized that leaked was not all of the problem. The leak detection company came again at the end of the summer and located a couple more smaller leaks that we hope to get repaired before camps begin in 2025.

We want to thank all the churches who continue to support the camp monthly, it helps us keep costs as low as we can. Also, thank you to those who have sent VBS and other special offerings to help with the projects going on at the camp. Most importantly we thank those who have brought young people to camp this summer, it changes lives!

In His Service,

Reggie & Miranda Walling, Camp Superintendents
